Dear Parents/ Carers,

Our school is taking part in Get Set to Eat Fresh's Design a Bag Competition!

### About Get Set to Eat Fresh

Team GB and Aldi's Get Set to Eat Fresh programme inspires students aged 5–14 to cook and eat healthy, fresh food. Get Set to Eat Fresh is on a mission to get 1.2 million young people cooking fresh, healthy meals for themselves and their families.

### The Design a Bag competition

The Get Set to Eat Fresh Design a Bag Competition challenges young people aged 5–14 to get creative and design a reusable bag that will inspire people to eat fresh fruit and vegetables.

The winning design will be selected by a judging panel – including Aldi athlete ambassadors the Brownlee brothers! The judges will be on the lookout for an inventive, exciting and eye-catching design that will inspire others to eat well, so please encourage your child to get creative! By taking part in the competition our students have the chance to see their designs come to life – with the winning designs used in all Aldi stores across England and Wales or Scotland!

### Entering the competition

To help our students take part in the competition we have been learning about the importance of reusable bags, what young people think about eating well and how to create a great design. We now want every student to design their bag!

- Ask your child to complete their final design onto the Design a Bag Competition Entry Template enclosed with this letter. Please ensure their personal details are completed.
- Return the Entry Template to the school by 27<sup>th</sup> April 2018 to ensure their design can be entered!

To find out more about the competition, please ask your child's teacher for further details.

Thank you for all your support and we look forward to seeing your child's design!

Yours sincerely

Miss Blenkiron  
PSHE Leader
