Tuesday 6th November 2018

Dear Parents,

Phototronics will be in school on **Thursday 15th November** for your child's annual photograph. All children from Nursery-Year 6 will be photographed individually. If you have a pre-school child who you wish to include in the photograph, this can be arranged.

Please help us to ensure a smooth running of the day by returning the slip below and reading the following:

- All children need to attend in full school uniform

Many thanks in advance for your co-operation. We know receiving your child's school photograph is a highlight of the year and we want to work with you to get the best results.

Indicate below the names of any children you have in school and whether or not you wish them to be photographed together. Please return the slip below by **Monday 12th November** so we can organise the day.

Yours sincerely

Leanne Moore
