

Fun, relaxed and modern portrait Sessions

Phototronics, the north easts leading School Photographers are holding modern portrait sessions in this school soon. The images captured are very natural, dynamic, spontaneous and fun for all the family.

The products are of the highest standard , but also very affordable compared to a high street studio photographer.

The session only takes ten minutes and is usually held after school so the children dont need their school uniforms.

THE DATE OF THE PORTRAIT SESSION

16th & 23rd November 3.30pm-6.00pm
