Dear Parents

As you are aware, we have recently had our Ofsted Inspection. Attached is our final report which explains their findings. I am delighted to inform you that we are now **GOOD** in every area. Everyone has worked incredibly hard to ensure improvements happened before and since our previous inspection, so your children receive the high-quality education they absolutely deserve!

Your children are a credit to you and they never cease to amaze us with their manners, attitude to learning and their resilience. They have a fantastic work ethic and are growing up to be such mature young adults.

We received lots of verbal feedback during the inspection and these are some of our favourite quotes:

***“You have wonderful children who will become wonderful adults as a result of attending this school.”***

***“Children are incredible and an absolute delight.”***

***“Everyone is different, everyone is welcome – no one is lonely here”***

Ofsted 2020

We are working together to think of ideas about how we can share our fantastic news with others. If you have any ideas, please feel free to pass these on!

We now look forward to working with you in the next phase of our development. If you have any questions or comments, please do not hesitate to ask.

Yours sincerely
