

## Mathematics

### Numbers

- Help me match my numbers.
- Write numbers 1-5 on some paper and ask me to find each number.

### Shape, space and measure

- Let me build things using cardboard boxes or blocks.
- Help me identify long, small, tall, short.
- Go on a shape walk and identify the shapes of everyday objects like a clock.

## Understanding the World

### People and communities

- Talk to me about different places in our community. For example, the library or the fire station.

### The world

- Let me explore rain, mud or snow.
- Plant seeds with me.

## Literacy

### Reading

- Read me a recipe
- Encourage me to look at a book independently. This will help me to turn the pages correctly, follow the order of the book and hold the book the correct way.

### Writing

- Tell me what you are writing on a shopping list.
- Help me to identify my name.

## Expressive Arts and Design

### Exploring and using media and materials

- Let me use paints and mix colours.
- Let me explore different textures

### Being imaginative

- Help me to use some of my toys to make a story.
- Join in with my role play. For example, taste my delicious imaginary food or play food.
- Encourage dressing up and pretending to a superhero or another character.

In addition to the three daily activities uploaded onto Seesaw,

If you see or complete any of these activities

with your child please take

A photo and upload it to Seesaw.
